As we forbid to disappoint our customers, we emphasize on maintaining attributes that will help us impress our clients in every business deal. We not only impress customers by delivering qualitative products, but also by benefiting them in every possible manner.

## *DESCRIPTION*

### *BOPP TAPES*

The commonly used adhesive packing tapes that are used in sealing medium to heavy-duty carton sealing, shipping, inventory management and in logistics industries are actually BOPP tapes.

**Sizes Available:** Cut Size and Jumbo Roll

**Regular Colors:** Black / White / Clear / Brown & other colors also

**Thickness in Micron:** 36, 38, 40, 42, 45, 48, 50, 52, 55 etc.

# ***JUMBO ROLLS***

BOPP Tape Jumbo Roll, Thickness(mm): 36 Micron To 60 Microns.

Length 4000 m to 4500 m

Thickness(mm) 36 Micron to 60 Microns

Color Brown, Transparent, White

Width 960 mm, 1020 mm, 1315 mm, 1610 mm

Feature Antistatic, Holographic, Water Proof

## *PRINTED TAPES*

The abbreviation BOPP stands for biaxially oriented polypropylene foil, which stretches in both directions. The foil is far more stable, its mechanical solidity increases and it also stretches less. It also looks better (has greater transparency) and its tear-resistance increases

**Sizes Available:** Cut Size and Jumbo Roll

**Thickness in Micron:** 40, 42, 45, 48, 50, 52, 55 etc.

## ***PVC INSULATION TAPE***

Electrical tape (or insulating tape) is a type of pressure-sensitive tape used to insulate electrical wires and other materials that conduct electricity. It can be made of many plastics, but vinyl is most popular, as it stretches well and gives an effective and long-lasting insulation.

**Sizes Available:** Cut Size and Log Roll  
**Regular Colors:** Black / White / Yellow /  
Green / Red / Blue

## ***MASKING TAPE***

Masking tape, also known as painter's tape, is a type of pressure-sensitive tape made of a thin and easy-to-tear paper, and an easily released pressure-sensitive adhesive. It is available in a variety of widths. It is used mainly in painting, to mask off areas that should not be painted

**Sizes Available:** Cut Size and Jumbo Rolls

**Regular Colors:** Creme white

# *DUCT TAPE*

Duct tape, sometimes called duck tape, is cloth- or scrim-backed pressure-sensitive tape, often coated with polyethylene. There are a variety of constructions using different backings and adhesives. One variation is black gaffer tape, which is designed to be non-reflective and cleanly removed, unlike standard duct tape. Another variation is heat-resistant foil (not cloth) duct tape useful for sealing heating and cooling ducts, produced because standard duct tape fails quickly when used on heating ducts. Duct tape is generally silvery grey, but also available in other colors and even printed designs. It has great stretch and conformability to hold tightly around corners, bends and curves. The thicker fabric with more cotton fibers makes this tape more substantial and durable and the high-tack rubber adhesive creates both permanent and repositionable bonds.

**Sizes Available:** Cut Size and Jumbo Roll

## ***DOUBLE SIDED CLOTH TAPE***

Double Sided Cloth Tape is a reliable, high shear resistant, double sided fabric tape coated with rubber adhesive. It has a Paper & polyester liner which unwinds smoothly and ensure easy release. Easily bonds glass, wood, steel, foam etc. Cloth tapes are very good for bonding to rough surfaces and can be removed quickly and cleanly after use. The cloth carrier offers resistance to tearing, yet can itself be torn by hand.

**Sizes Available:** Cut Size and Log Rolls

**Regular Colors:** White with Havana liner

## ***SUPPLIER OF GRANULES***

We are suppliers of Recycled PP, Bopp & Raffia Granules. The offered granules are processed using high quality polypropylene plastic by our skilled professionals. These granules are widely used in making different plastic products, household items, automobile parts etc. Our clients can avail these granules from us in various colors.

**Regular Colors:** - Black, Green, Blue, Pink, Red, Brown. Etc.

## ***OTHER PRODUCTS***
